Linkedin Profile · Portfolio Website

Diligent, eager to learn, and always curious, I graduated with a degree in Computer Programming. Since childhood, I have been interested in computers and art, constantly pushing myself to be the best version of myself in these fields. With a creative personality, I am an honest and determined team player.

SKILLS

Programming Languages: HTML, CSS, JAVASCRIPT, REACT JS, PHP, SQL, PYTHON,

Design : ADOBE PREMIERE, PHOTOSHOP, ILLUSTRATOR, FIGMA, ASEPRITE, BLENDER, UNITY, UNREAL ENGINE
